Ad Sponsor Application

Advertising sponsorships are available within the AskNELMA monthly e-newsletter. These "business-card" size ads are placed on the left side of each issue with a maximum of 4 ads per issue. A direct link to your company's website is included and allows a viewer to click on your ad to access the webpages. Ads may be created in most any file type and those using company logos are usually the most eye-catching. Please keep in mind the small size and limited space for text. To advertise, please complete the information below and return to NELMA. Each issue of the newsletter is also placed online at www.nelma.org for further exposure to the advertisers. AskNELMA is emailed the last day of each month to more than 1,100 individuals within the wood products and export packaging industry in the Northeastern U.S., Great Lakes/Midwest region, Eastern Canada, and beyond!
