This year's competitions will feature a new "tournament" style format in addition to other changes guaranteed to add to the excitement of determining the best graders within the NELMA program! Here are a few highlights of what to expect:

- Each grader will have a set number of boards to grade within a specific time limit, with winners advancing to the next round.
- The new format will include a "Consolation Round" – guaranteeing each grader a minimum of two rounds of grading.
- Cash awards will be presented to the top 8 graders.
- To conclude the event, a final grading competition will be for the Bronze Hammer Trophy as representatives from each mill team up to grade a final set of boards to determine the winning company.

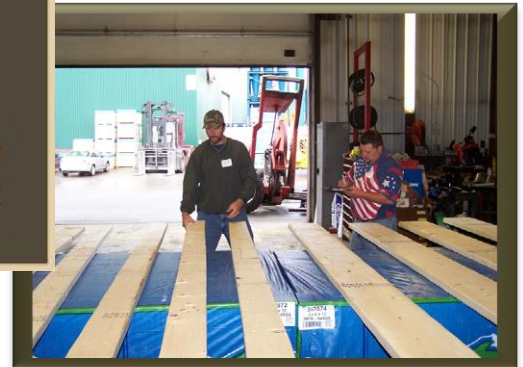

NELMA member mill graders of *ALL* experience levels are cordially invited to meet and compete with peers in this relaxed, enjoyable environment!

ENTRY FEE - \$25 per participant. One hundred percent goes directly to the winners' cash awards.

ENTRY DEADLINE – JUNE 1st, 2015

Lunch will be provided at each competition.

Directions and lodging options will be noted in your registration confirmation letter.
