Registration for the 16th Annual Eastern White Pine Graders Competition is now open! Sponsored by NELMA and hosted by Madison Lumber Mill at their West Ossipee, New Hampshire operation, the Competition is open to all member sawmill personnel with all levels of experience in lumber grading!

The Individual Competition will use the Tournament “Knock-out” Bracket Format based on last year’s success. All competitors will grade the same set of boards for the first round, then high scores in the top half will advance to the second round. High scores in the top half of the second round will move on to the finals! It’s all about accuracy and time as usual! A “Consolation Round” guarantees each grader will participate in a minimum of two rounds of grading. Cash awards will be presented to the top 8 graders.

The Team Competition for the coveted Bronze Hammer Trophy concludes the day’s activities, with representatives from each mill grading a final set of boards to determine the trophy winner.

The Grader Competition continues to be a great way for individuals within the lumber grading profession to meet with their peers in a fun and enjoyable atmosphere, while learning more about the grades of Eastern White Pine!
