

# 2025 Safety Awards

Based on 2024 Performance

A total of **20** mills located in the Northeast and Great Lakes provided data from their OSHA *Summary of Work-Related Injuries* report for calendar 2024 to compete in the 2025 NELMA Safety Award Program.

More than **1.25 million man-hours of Planer Operation** work, and **1.41 million man-hours in the Sawmill Operation** were reported.

Page 2 lists the awards given for each operation type, in addition to the Combined operations awards within the 4 Division Categories.

**9 mills** employing **528 people** with combined operations totaling **1,110,445 man-hours** reported a **no loss-time accident-free year in 2024!**
